## GS1 Circularity - Digital Product Passport
### Mission Specific Work Group

**Project Lead:** J John RYU

### Business purpose
This group will develop and update GS1 standards to support new regulatory requirements for the circular economy model and invites participation to gather requirements related to the broader scope of circularity from all sectors and regions.

### Key issues and risks
- None

### Accomplishments this period
- Initial discussion on Business Requirements Analysis Document (BRAD)
- Active participation of the EU regulators to meetings for guidance and support
- Continue to draft BRAD with Subject Matter Experts
- Conducted first core co-chair teleconference

### Upcoming period activities
- Draft BRAD
  - Scope
  - Business Requirements
- Discuss orientation / on boarding material

---

Report Date: August 2023
Expected project close: TBD
