# Digital Signatures Mission Specific Work Group (MSWG) Project Lead: J. John RYU (GS1 GO)

Report Date: April 2024 Expected project close: Q2 2024

#### **Business purpose**

Counterfeiting is a growing problem damaging the global economy. More effective enforcement on national and regional level is needed. Various approaches and different emerging solutions are being proposed to combat counterfeiting, diversion and illicit trade. Divergent approaches and solutions pose a risk of adding complexity and cost to the supply chain and they also conflict with GS1 standards and standards-based implementations

### **Key issues and risks**

#### **Accomplishments this period**

 GS1 expert provided their feedback for internal alignment before posting for community review

## **Upcoming period activities**

- Deliverable #4 Technical Implementation Guideline (TIG)
  - Seek motion to community review April 11<sup>th</sup>
  - Community Review April 12-30
  - IP Review April 12 May 13
  - Resolve community review comments to prepare for eBallot
