Risks/Issues/Highlights

- A new GPC Browser and MO Translation Tool were delivered in October, the tools will help users search for a GPC category faster and easier and help MOs translate the standard easier and faster
- 17 countries have translated the GPC Standard
- The Egyptian Tax Authority has started using GPC
- Elsa Braz, GS1 Global Office is the new Subject Matter Expert
- Inspired by the use of GPC in Activate and VbG, category updates are in process to align the GPC with today's product lines
