## *GSMP Electronic health record patient demographics in GS1 barcodes MSWG*

Project Lead: Greg Rowe

Report Date: November, 2024 Expected project close date: March 2025

| <b>Business purpose</b><br>The 2nd and final phase of the MSWG is to develop<br>an implementation guideline to support the<br>implementation of the Global Service Relation<br>Number (GSRN) along with other complementary<br>GS1 identifiers e.g., the Service Relation Instance<br>Number(SRIN), AIDC Media Type Identifier, Version<br>Control Number (VCN) and the newly created<br>demographic identifiers. | <ul> <li>Key issues and risks</li> <li>None at this time</li> </ul>   |  |  |  |  |
|---|---|--|--|--|--|
| <ul> <li>Accomplishments this period</li> <li>GSMP WG continues to develop the structure of<br/>the Implementation Guideline</li> <li>GSMP WG continue to work on all portions of the<br/>guideline including Use Cases</li> </ul>  | <ul> <li>Upcoming period activities</li> <li>Continue to work on developing structure and content for the implementation guideline</li> </ul> |  |  |  |  |
