## Business purpose

- The objective of the MSWG is to build a set of new Application Identifiers to support the offline capturing / verification of patient demographic information. This will result in a General Specification Change Notice being developed.

## Business purpose

- Numerous comments were received during the Community Review
- Team is in the comment resolution phase and began resolving comments

## Key issues and risks

- None at this time

## Accomplishments this period

## Upcoming period activities

- Continue to resolve Community Review comments and motion to eBallot

---

Report Date: March 2024
Expected project close date: March 2025
