

# GSMP Electronic health record patient demographics in GS1 barcodes MSWG

project Lead: Greg Rowe

Report Date: September 2023  
Expected project close date Q2 2024

## **Business purpose**

- The objective of the MSWG is to build a set of new Application Identifiers to support the offline capturing / verification of patient demographic information. This will result in a General Specification Change Notice being developed

## **Key issues and risks**

- None at this time

## **Accomplishments this period**

- Team began working on the Design Assumptions

## **Upcoming period activities**

- Continue work on Design Assumption / Solution document

# GSMP Electronic health record patient demographics in GS1 barcodes MSWG

## Overall Status

#	Standard/guideline Milestones	Due Date	Notes	#	Collateral milestones	Due date	Notes
1	Deliver GSCN for new Application Identifiers	Q2 2024		1	To be determined		
2				2			
3				3
