GS1 Standards Event 2017
20-24 March 2017 – Jersey City, NJ
Building standards to deliver business value

Session: GS1 EDI Advisory Team
Time: 20 March 9.00 – 17.30

Who may attend: Team members

Speaker(s):

Anti-trust caution

- GS1 operates under the GS1 anti-trust caution. Strict compliance with anti-trust laws is and always has been the policy of GS1.

- The best way to avoid problems is to remember that the purpose of the group is to enhance the ability of all industry members to compete more efficiently.

- This means:

    - **There shall be no discussion of prices, allocation of customers, or products, boycotts, refusals to deal, or market share.**

    - If any participant believes the group is drifting toward impermissible discussion, the topic shall be tabled until the opinion of counsel can be obtained.

- The full anti-trust caution is available via the link below, if you would like to read it in its entirety: http://www.gs1.org/gs1-anti-trust-caution.

Statement & reminder for seeking intellectual property information

- Relevant to the features of the specification that are being developed in this work group, if anyone has knowledge or information about intellectual property rights, such as, patents or patent applications; please promptly convey this information to the work group facilitator.

- The intellectual property rights can either be in development or owned by persons, companies or third parties within this work group or outside this work group.

- We do this under the guidance of the GS1 Intellectual Property Policy, so that GS1 can seek to avoid the uncertainty regarding intellectual property claims against the Specification.

Meeting etiquette

- **Meetings will begin promptly as scheduled**

- **Be present – avoid multi-tasking**

- **Avoid distracting behaviour:**
  - Place mobile devices on silent mode
  - Avoid sidebar conversations

- **Be considerate**
  - Avoid monologues
  - Keep comments concise

- **Respect work group decisions**
  - Avoid re-opening decisions unless there is a significant quality impact

- **Collaborate** in support of meeting objectives
  - Ask questions
  - Be open to alternatives

- Be **representative**
  - Avoid personal remarks
  - Do not speak for your company or community if you do not clearly understand their needs
  - Votes should reflect the needs of your company or community

GS1 Standards Event App – How to get it

① Get the App by searching your App store for "GS1 Global Events"

- (If you already have the Global App due to attendance at the most recent Global Forum, you do not need to do this)

② Once you have the Global App on your mobile device, the Standards Event module will automatically show up. Please click the orange (+) to activate the event within your application.

③ Login with the email address you used to register for the event:

Username: (your registered email)
Password: 2017
