New EU requirements for MUDI Updates MSWG

OGSM
Report Date: December 2025
Expected project close date Q2 2026

Project Lead: Greg Rowe

Business purpose

- This group will develop the appropriate solution. The European (EU) Commission submitted a work request to develop the creation of "Master UDI-DI" for spectacle frames, spectacle lenses and ready-to-wear reading spectacles as part of the UDI requirements based on the European Medical Device Regulation (MDR).

Key issues and risks

- EU COM delegated act has not been finalised. The team is moving forward with the current understanding of the potential language in the delegated act which could impact the draft GSCN.

Accomplishments this period

- Team has been working on the conducting the Community Review Comment Resolution process
- The team is expected to complete the process on the 09 December team call and motion the BRAD to eBallot

Upcoming period activities

- Motion BRAD to eBallot
- Begin working on the Solution document
